NOTE:

1/ There should be a Variance of \$-561,012: The CS fund of \$498,560 was distributed to Midwest Region for Leech Lake and White Earth "Choctaw Schools" and \$62,452 was distributed to Northwest Region for Lummi "Choctaw School" listed under Office of Self Governance (OSG). These funds are reported under the school's Tribal affiliation listed under OSG, in order to calculate (1) its true overall shortfall (and percentage of need funded) and (2) to equitably provide it with shortfall funds.

2/ Muckleshoot has no IDC Agreement, only accepts DCSC.

3/ Association of Village Council, Pres., increase 2014 IDC Rate being negotiated with Interior Business Center will negate over payment.

4/ OSG has requested those Tribes/Tribal Organizations who were over paid to return the amounts; and, FBMS will not accept offsets against FY2015 CSC need.

NOTE:

As noted in the criteria below, these "Choctaw Decision" schools qualify for the historical criteria; however, not all the schools will qualify for current CSC funding due to the current criteria listed below.

CRITERIA:

- The alphas within the parentheses in Column 'B' denotes the reporting Region (see Division heading under the Summary Report).
- Determining Factor for "Choctaw Decision" Schools Eligibility for CSC Funds:

Historical Criteria

1. The tribe or tribal organization (school) which operated a grant or P.L. 93-638 contract that received indirect costs (per the 1992 "Choctaw Decision" Schools) in years 2003 or 2004.

Current Criteria

2. The tribe or tribal organization (school) must have a Interior Business Center approved negotiated indirect cost rate, use the tribes' approved rate or an approved BIA negotiated lump sum amount.
3. The tribe or tribal organization (school) must simultaneously be operating an ISEF funded school program under 25 U.S.C. § 2001 et seq. and one or more BIA P.L. 93-638 non-school contracts or grants.
4. The negotiated indirect cost rate must generate more money than the Administrative Cost formula. (Column 'H' is greater than Column 'I') of the previous year's Shortfall Report spreadsheet.

REGION	Reporting BIA Region
LABELS	The alphabet letters are displayed across the top of the Contract Support Cost Report spreadsheets.
A	Numbers Count of Tribes/Tribal Organization contracted within the Region.
B	Tribe / Tribal Organization Insert the name of each Tribe or Tribal Organization in alphabetical order - avoid using abbreviations or if the name has changed, put the old name in parenthesis.
C	Total FY14 BIA OIP Awarded via PL 93-638 Insert the total amount of BIA OIP fundings awarded to each Tribe/Tribal Organization by means of PL 93-638.
D	Total FY14 Non-BIA OIP Awarded via PL 93-639 Insert the total amount of Non-BIA OIP fundings awarded to each Tribe/Tribal Organization by means of PL 93-638 law. Insert the total amount of NON-BIA OIP fundings awarded to each Tribe/Tribal Organization by means of PL 93-638 law. Theses are fundings transferred from other Federal Agencies but are processed through BIA via PL 93-638 and are not eligible for contract support cost. The amounts should be excluded from the Exclusions and Pass-through column, so that it is not part of the CSC calculation. For example, FHWA, BOR, WUI, etc.
E	FY14 ISD Funding Insert the amount of pre-award or start-up awarded to each Tribe/Tribal Organization from POOL 1 (Indian Self-Determination Fund [A0T9475]). This column is associated to those Tribes/Tribal Organizations with new or expanded programs for the fiscal year being reported.
F	FY14 On-going Awards Adjusted (DCSC Need Only) This column identifies the current On-going Awards Adjusted for DCSC need by calculating the total from Column 'C' PLUS the total from Column 'P'. The amounts in this column is formulated, do not override the formulation.
G	LESS Other Exclusions and Pass-Throughs Insert the total amount of Exclusions and Pass-throughs for each Tribe/Tribal Organization; must be consistent with the Tribe's/Tribal Organization's Indirect Cost proposal. Exclusions and Pass-throughs are normally defined as: - Grants - Equipments - Non-Construction Materials & Supplies - Capital Expenditures - Major contracts in excess of \$25,000 Pass-throughs generally include payments to participants, stipends to eligible recipients, and sub-grants which normally require minimal administrative effort (i.e., Higher Education funds, General Assistance funds and non Administrative HIP funds). For SALARY ONLY based IDC Rates, the Pass-throughs should include all costs except Direct Salaries. Remember to exclude the DCSC Need added in Column 'P'. In nearly all cases, every Tribe/Tribal Organization should have some amount identified as Exclusions or Pass throughs. Make sure to refer to each Tribe's/Tribal Organization's negotiated IDC Rate Agreement for an explanation of Exclusions and Pass-throughs identified in the IDC Rate; as well as, OMB Circular A-87 for further clarification. NOTE: Regions will likely need to contact each Tribe/Tribal Organization to gather or confirm this information.
H	FY14 Direct Cost Base This column identifies the Direct Cost Base by calculating Column 'F' MINUS Column 'G'. The amounts in this column is formulated, do not override the formulation.
I	Applicable IDC Rate Insert the most recent Indirect Cost (IDC) Rate formally negotiated between the Tribe/Tribal Organization and their cognizant Federal Agency. This IDC Rate information should be updated if the Tribe/Tribal Organization receives a newer IDC Rate that is applicable to the current fiscal year being reported on, even if the IDC Rate is received after the close of the fiscal year. Awardees WITH Formally Negotiated IDC Rate Agreement(s): The amount of IDC expected to be incurred by Awardees using approved IDC Rates will be determined by applying the negotiated rate(s) to the appropriate Direct Cost Base amount. The amount determined as the Awardee's CSC need must be consistent with the individual Awardee's IDC Rate Agreement, reflecting any exclusions required by the IDC Rate Agreement. If an Awardee's IDC Rate is applicable to a fiscal year that is 4 or more years old, BIA shall not provide IDC associated with the application of that IDC Rate (see BIA CSC Policy, NPM-SELFD-1, Section 7(B)(3).) Awardees WITHOUT Formally Negotiated IDC Rate Agreement(s): A Lump Sum amount for "Indirect Type of Cost" may be computed annually, until an IDC Rate Agreement is formally negotiated. The Lump Sum amount may be calculated by negotiating a fixed amount for "Indirect Type of Cost." If a Lump Sum amount is negotiated, the applicable IDC Rate should be a '0%' and the Type of IDC Rate selected should be "Lump Sum" under Column 'K'.
J	Year for which IDC Rate was Established Insert the fiscal or calendar year for which the IDC Rate is applicable for each Tribe/Tribal Organization. SELECT the appropriate fiscal or calendar year from the drop down box. • FY 2014 • FY 2013 • FY 2012 • FY 2011 (will expire after 2014) • CY 2014 • CY 2013 • CY 2012 • CY 2011 (will expire after 2014) • Other (select 'Other' if the IDC Rate is older than 2011) "Other" means the IDC Rate was established more than 4 years ago; therefore, the Tribe/Tribal Organization should establish/negotiate a new IDC Rate or negotiate a Lump Sum amount for "Indirect Type of Cost."

**Guidance and Interpretation to the
Contract Support Cost Report Labels

K	Type of IDC Rate	<p>Insert the Type of IDC Rate for each Tribe's/Tribal Organization's IDC Rate. Then make sure Column 'I' equals '0%' and Column 'K' selection is 'Lump Sum.' EITHER Column 'M' or Column 'N' establishes the IDC need, it is important that for each Tribe/Tribal Organization, the IDC need is identified in only ONE of these columns.</p>
O	FY14 IDC PAID or Negotiated Lump Sum PAID	<p>Insert the total amount of Indirect Contract Support funding paid to each Tribe/Tribal Organization to address the IDC need.</p>
